

# DuraPAC Lite

Lightweight, Rugged Portable with a 17.3" display and 2 full-length expansion slots. Configurable with the latest Intel® Core™ or AMD processor.

## Lightest and Slimmest

The DuraPAC Lite is ACME's lightest and slimmest portable computer. The entire system weighs approximately 16.5 pounds. It has a depth of only 5.3". The DuraPAC Lite has a size and weight that mirror a laptop, without the limitations that come with a laptop.

## Desktop-Class Performance

Despite its size, the DuraPAC Lite still offers high performance. It supports the latest Intel® Core™ i7 CPUs. Its 2 full-length expansion slots can be freely configured with add-on cards for various applications. In addition, it comes with a 17.3" 16:9 LED backlite LCD at full HD resolution of 1920x1080.

# Technical Specifications
