

MegaPAC L1

23.8" UHD Display integrated into a high performance rugged portable. Designed for video editing, media and broadcast applications with 7x full-length expansion slots.

Large 23.8" Display

The MegaPAC comes with a 23.8" 16:9 LED backlite LCD at full HD resolution of 1920 x 1080 or higher. The integrated visor-shade and high contrast ratio optimizes viewing in ambient light. Overall, the large, wideview LCD with low latency, high contrast ratio, and visor-shade allow the user to see details that would have otherwise been overlooked.

Versatile Platform

In addition to its large display, every unit comes with cooling fans and easy access to its 7 full-length expansion slots for immediate system upgrade or maintenance.

Technical Specifications
